

The [REDACTED] (Steenburg) Lake Community Association

STEENBURG LAKE

HASTINGS COUNTY

ONTARIO, CANADA

HI! FELLOW COTTAGERS:

Just a short note to bring you up to date on happenings since our last annual meeting. Your new executive met for two hours on August 18th and those in attendance were the following; Don Brown Vice-President, Roy Wood, Executive, Mrs. Anita Maddell Treasurer, Mrs. Jackie Rugg executive, yours truly and his wife. As a result of this meeting the following occurred:

- (1) Arrangements completed for the annual cottagers meeting on July 21st, 1973 in the Orange Hall, St Ola at 8:00 p.m. coffee and donuts being served.
- (2) Although, I do not have the exact count on "paid up membership", it was nonetheless most gratifying and this coming year we are striving for 100% representation. This goal depends on you as cottagers.
- (3) A "Letter of Thanks" was forwarded to the Limerick township Council, in appreciation for road repairs completed near Tripps and the Marina, as well as the bull-dozing of the dumps.
- (4) Our organization is to be a member of the Federation of Ontario Cottagers Association for the coming year and I feel this should be most beneficial. Some members of your executive plan to attend their meeting in early 1973.
- (5) I have been informed by Rev. Clive Wilson, a member of our association and also a representative on council for Limerick Township, that Limerick Township Council in conjunction with Tudor-Cashel Township and the Ministry of Transportation and Communication have reached agreement to provide winter parking space for 20 cars on the North side of the East Steenburg Lake Road. Limerick Township are to commence their work shortly and hope to plough out the area on Friday's if possible.

- (6) This is election year for Limerick Township and revisions have been made in the Municipal Election Act allowing non-resident voters to cast ballots in their cottage ridings. The spouse of an owner as well as people on the list who are 18 and over have a vote. Two advance polls are being held, Monday November 27th & Saturday December 2nd, 1972 between 11:00 a.m. and 8:00 p.m. at the Limerick Community Centre which is just east of the four corners on your way in to St. Ola. I would suggest if possible that those in Limerick Township who have a vote should make an effort to do so. I do not believe this is an election year for Tudor Cashel Township.

Should you have any questions or recommendations, your executive are anxiously awaiting to help you. In addition, to the executive members already mentioned, the following also are members: John Maunders, Past president, Mrs. Verbera Smith, Secretary, Russell Crook, and Perc Saunders executives.

I hope that you all have a good Xmas Season and will look forward to writing you in the New Year.

33 Marion Crescent,
Barrie, Ontario.
November 1972.

G. R. Lloyd,
President.
