Steenburg Lake Community Association

Winter 92/93

Special Edition

S.L.C.A. Misses You

For one reason or another you did not become a member of the lake association last year. Possibly your cnavasser missed you, or something upset you that you felt the association was responsible for. There could be many reasons, however, your support is missed and the directors would like to get a better understanding of just why you decided not to become a member last year.

The association published 2 newsletters per year. The Fall issue is mailed directly to your home and the Spring/Summer issue is delivered to your cottage by your cnavasser. Special issues are published as the need arises. News letters are only received by association members, therefore as a non-member you will not be kept current on events or situations around the lake.

Many services you receive even if you are not a member. By not participating though, the members are carrying the load for you ie: maintaining buoys around the lake to protect boaters from the rocks, cottage listing to the OPP and the fire department, representation of our lake to the Federation Of Ontario Cottagers Associations and at OMB hearings, interfacing with the local councils, the fishery, and lake directory signs.

There are strong rumors that Mr. Henry is going to present a proposal for developing the lodge property beyond the 1000 foot setback, with condos. The association survey taken of members last year indicated continued development around the lake was the biggest concern. If this proposal actually comes before the council it will take people and resources to defeat it.

The association by-laws are two fold:

- To protect the interests of Steenburg Lake property owners and to foster cooperation with the township officials.

- For mutual assistance of its members and to better social relations.

Your participation is important to all the cottagers and we urge you to add your cottage to the list of members around the lake by sending in the annual dues of \$20.00 to:

Anita Waddell
5 Charles Tupper Dr.
West Hill, Ont. M1C 2A8

Should this newsletter not adequately convince you that your membership is important and needed, please note on the back of this newsletter your reason/s for declining membership and mail it to Anita. Thank you for taking the time to read this newsletter.
