BE IT RESOLVED THAT Council directs the Clerk to reply to the Township of Tudor and Cashel as follows;

THAT Council concurs that the efforts made by the Steenburg Lake South Road Advisory Committee are appreciated, however the Township of Limerick cannot expend further personnel resources until such time as a clear proposal is received that can demonstrate how an equitable arrangement for winter maintenance may be achieved. Such a proposal shall also provide any financial implications for any required improvements in order to accomplish minimum maintenance standards of care.

As directed,
