Dear Ms. Crocker,

**Re: Steenburg Lake Road South**

We are the solicitors for the Township of Limerick with respect to the above captioned matter. We write to invite the Township of Tudor and Cashel to commence discussion with a view to entering into a joint maintenance agreement with the Township of Limerick.

As you are well aware, Steenburg Lake Road South is boundary road under the joint jurisdiction of both Townships. It is only a boundary road for a portion of its length. Beyond the boundary of Lots 21 and 22, Concession 1, Limerick, the road under the exclusive jurisdiction of the municipality within which it is located.

Although the entire length of the road is not a boundary road, considering its physical arrangement, the Township of Limerick is of the view that would be of great benefit to both Townships and the owners of property along the road for there to be joint maintenance and proportionate sharing of those maintenance costs between the two Municipalities.

At this juncture it would be helpful to understand whether the Township of Tudor and Cashel is willing to engage in discussions concerning the sharing of maintenance and costs concerning the entire length of the road. We would note that the Township of Limerick will require any such agreement to provide for and address year round maintenance.

If the Township of Tudor and Cashel is interested in engaging in discussions please advise at your earliest convenience and we can then discuss the most efficient manner in which to move forward with the drafting of an agreement.

If you have any questions please feel free to contact the undersigned.

Sincerely,

Edward B. Veldboom
